

AMAJUBA DISTRICT MUNICIPALITY

INVITATION TO REGISTER ON THE NEWLY IMPLEMENTED NATIONAL TREASURY CENTRAL SUPPLIER DATABASE

Amajuba District Municipality will no longer have its own service provider database, since the establishment of the Central Supplier Database by National Treasury. All service providers doing business with ADM or inspiring to do business with Amajuba DM are required to register on the CSD.

National Treasury has established the CSD that serves as a single source of all supplier information for all national, provincial and local government departments.

Effective from the 1st July 2016, the Amajuba District municipality will do business with suppliers that are registered on the CSD and therefore the supplier database maintained by Amajuba District Municipality will cease to exist on 30 June 2016.

What will be required for suppliers to register?

All service providers will be required to complete required information on the CSD website and must ensure it is complete, accurate and comprehensive. The following would be amongst the required information:

1. Active email address
2. Identification number
3. Cellphone number
4. Company registration certificate
5. Bank account information (stamped letter from the bank not older than 3 months)
6. Tax clearance certificate with supplier tax reference number
7. Certified sworn affidavit or valid certified B-BBEE certificate
8. Accreditation with relevant bodies, where applicable e.g. CIDB grading, ECSA, PSIRA etc.
9. Association to any other suppliers i.e. branch, consortium member etc.

Suppliers who are unable to register themselves can be assisted upon appointment at the ADM offices. Appointments must be made telephonically to Khethiwe Mthethwa on 0343297200 or by email khethiwem@amajuba.gov.za Suppliers are required to bring the above documentation with them. Service providers currently registered on the Amajuba District Municipality's database are requested to self-register their companies on the CSD website: www.csd.gov.za
